Item No. 2.1

**ISSUE: Review and Discussion regarding the December joint meeting between the SCHT and Story County Board of Supervisors**

REPORT: Review and discussion regarding the previous SCHT meeting.

**BACKGROUND:**

On December 14 the SCHT Board had a joint meeting with the Story County Board of Supervisors to discuss and review the Draft Housing Action Plan.

[Click here for a copy of the Draft Housing Action Plan.](#)

The Housing Action Plan is intended to take “identified strategies and approaches to meet the overall goals of identifying affordable housing needs and developing housing solutions”. The plan is divided into six goals, which are further divided into different strategies to meet each goal and the tools needed to implement each strategy. Also identified are agencies and departments that could potentially provide additional resources and/or help implement the corresponding tools and strategies.

Much of the discussion at the first meeting was regarding the role that the SCHT could play in helping implement the Housing Action Plan. A significant amount of time was also devoted to reviewing the plan itself.

A question was raised regarding what the SCHT’s mission is in its incorporating documents. Below is a link to the Articles of Incorporation and Bylaws.
