Item No. 2.1

ISSUE: Discussion of the Story County Housing Action Plan and potential involvement of the Story County Housing Trust

REPORT: Review and discussion regarding the previous S C H T meeting.

BACKGROUND:

On December 14 the S C H T Board had a joint meeting with the Story County Board of Supervisors to discuss and review the Draft Housing Action Plan.

The Housing Action Plan is intended to take “identified strategies and approaches to meet the overall goals of identifying affordable housing needs and developing housing solutions”. The plan is divided into six goals, which are further divided into different strategies to meet each goal and the tools needed to implement each strategy. Also identified are agencies and departments that could potentially provide additional resources and/or help implement the corresponding tools and strategies.

Much of the discussion at the first meeting was regarding the role that the S C H T could play in helping implement the Housing Action Plan. A significant amount of time was also devoted to reviewing the plan itself.

Staff sent out a worksheet on the Housing Action Plan to identify potential priority areas that the S C H T could work with/lead.

RECOMMENDATION:

Consider leading the Housing Action Plan implementation.
